In House AV support:

We offer in-house AV rental facilities for hotels & venues throughout Dublin.

We supply technical support services for hotels and venues where we operate our own audio-visual equipment. We cater for your day-to-day AV requirements. We supply the latest AV equipment & expertise and you lose the hassle of dealing with faulty equipment, missing accessories and depreciating assets!

Our technicians will operate and be responsible for all your AV requirements allowing you and your clients to benefit from our technical expertise.

AV Production facilities:

- Multi Camera Conferencing
- Satellite Links
- On site conference editing
- Corporate Productions
- Custom PowerPoint templates
- Web casting of quarterly reports
